

The Carolina Bible Group Podcast

For Apple users:

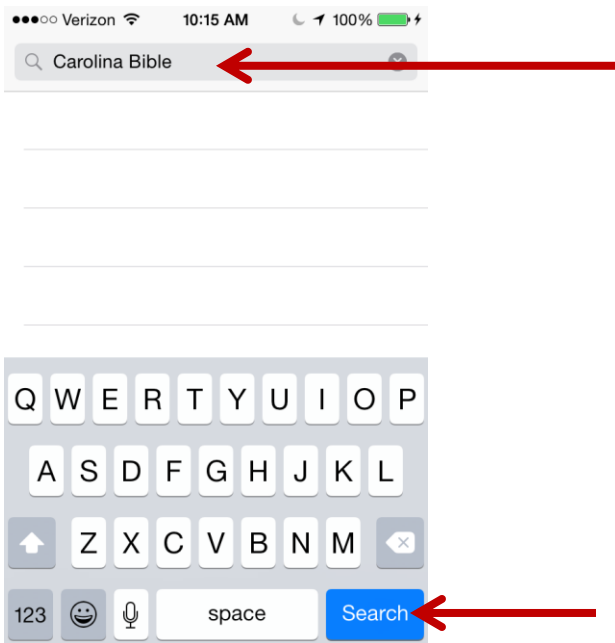

Open the Podcast app. If it's not on your device, download it from the iTunes store.

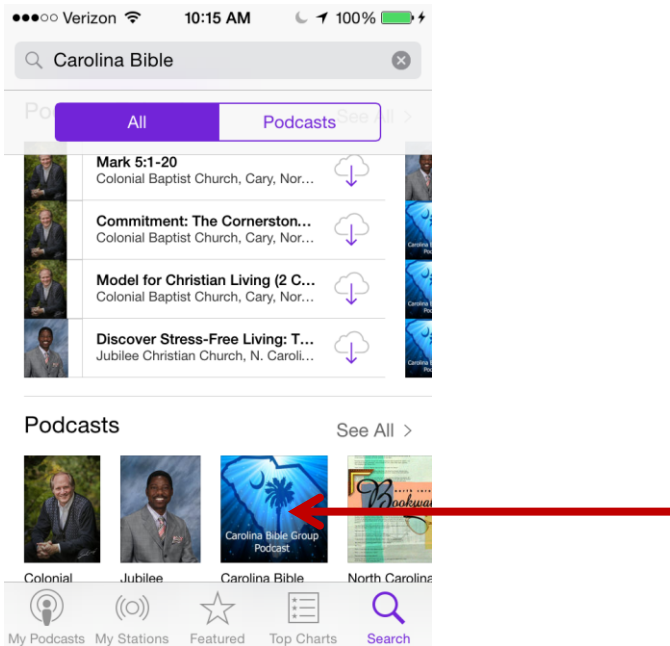

Click on the Search tab at the bottom of the screen.

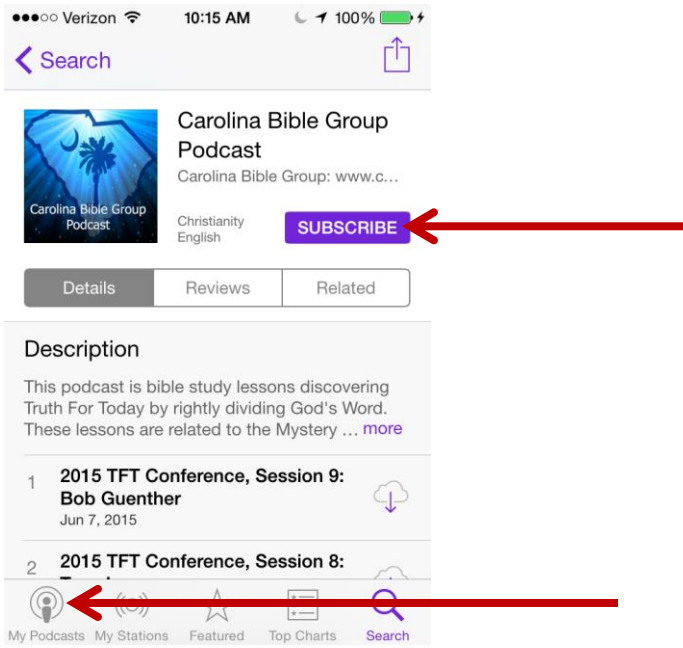

Type "Carolina Bible" in the search field and then click on Search.

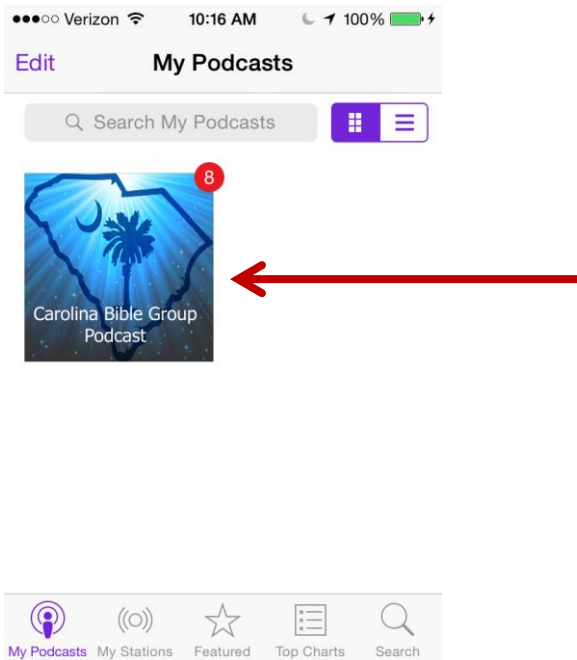

Click on "Carolina Bible Group Podcast" icon in the "Podcasts" section.

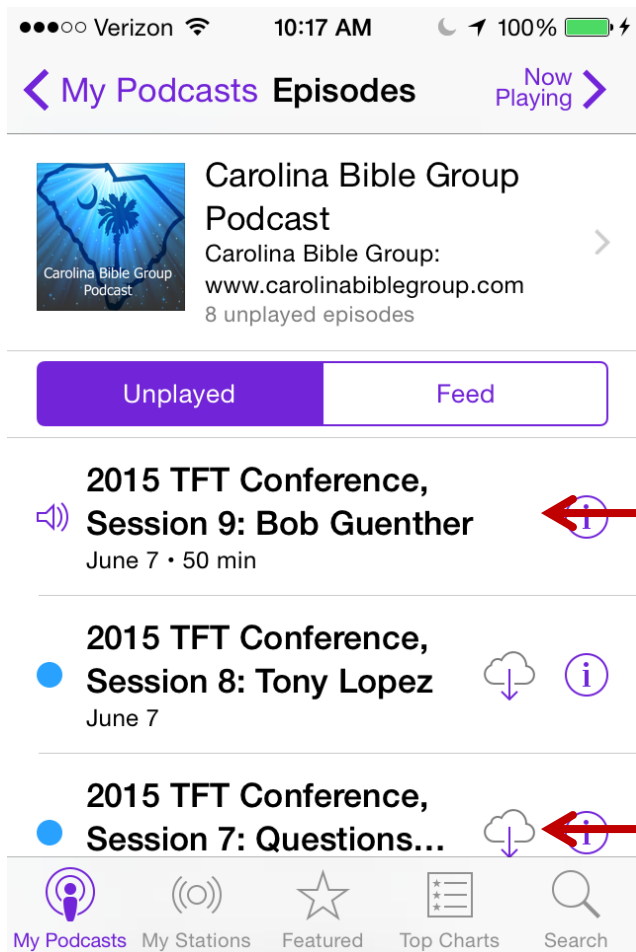

Click on "Subscribe" and then "My Podcasts" at the bottom.

Now the Carolina Bible Group Podcast will be listed on your "My Podcasts" screen. Click on the Carolina Bible Group Podcast icon.

The audios are automatically made available to download. Click on the cloud arrow of any of the audios that you want to access on your phone or device. Once downloaded the audios will be available whether you are connected to a wifi signal or not.

When there is no cloud arrow, it indicates the audio has been downloaded and is ready to play.

This down cloud arrow indicates that the audio has not been downloaded to your device. Click on the down arrow and the audio will be downloaded to your phone.
